Our Vision

We hope to grow in Christ and lift one another up in love and fellowship.

We hope visitors as well as regular members of our class experience the love and encouragement of meeting together through the power of the Holy Spirit and lifting one another up in love through prayer, fellowship and Bible study.

We start every class with prayer and occasionally sing a hymn together discussing its origin and seeing if it has been a blessing to anyone in our class.

I try to lead an active discussion of our topic of study and as a class we try to relate the topic to our individual lives for growth and our personal relationship with the Lord Jesus Christ. It is my desire that we all grow through this discipleship training,

encouraging and exhorting one another and so much the more as we see the end day approaching.

We have tried to make anyone that joins our class welcome and try to have them fit in and feel loved in our class. We meet occasionally outside of class for fellowship and to do outreach in the community. We are also mindful to lift one another up in prayer and rejoice together when we see answered prayer in our midst.

I believe anyone seeking fellowship and Christian growth would benefit from our class. We have a wealth of experience in our group but realize we can always learn and grow as we study the Word of God together. We try to be a group that is truly “Here for God and there for you.”
